

Parrot Toys and Enrichment - Unique Play Areas

Window Unipod

This bird-safe, attractive activity stand is built with your bird's health and enjoyment in mind.

- Built on an interchangeable design, this unit can be modified with different attachments for the top of the stand
- Durable and made of the finest grade of stainless steel
- Easy to clean - droppings and food items wipe off easily
- Compact - takes up only 61 cm (21 in.) of floor space
- Elegant and aesthetically pleasing acrylic base for the more formal areas of your home

This easy-to-maintain stand will exercise and entertain your parrot. Assemble one with ease, stand back and watch your bird play.

Item #: TOY-UNI

"Designed for use in the home or office, with the enrichment of the life of your parrot in mind..."

Window Quadripod

This unit is designed to bring excitement to your parrot's day.

- Modular in design and adaptable to the needs of your bird
- Tough durable design for long-lasting and safe play
- Built of high quality stainless steel for ease of use and cleaning

Introduce the Window Quadripod to your parrots and watch them delight in play!

Item #: TOY-QUAD

Window Seat

Safe and durable, the Window provides a secure area for your parrot to view the outside world.

- A safer alternative to your bird climbing or flying onto a bare window
- Built of bird-safe durable plastic and stainless steel hardware
- Will mount on your window with no damage to the woodwork
- May also be used in the shower or any similar glass-like surface

Easy to install and keep clean, these fun perches are available in sizes small to large.

Item #: TOY-SEAT

Window Gym

This innovative play area for large companion birds can be used in front of a window or a patio door, or along any wall.

Built of stainless steel and backed by clear plastic panels that protect woodwork and walls, this gym creates a safe, secure area to keep your parrot engaged.

- Multi-stage design supports most toys and small hanging gyms on the market
- Sturdy, bird-safe design fits in a space of 91 cm x 91 cm (36 x 36 in.)
- Optional plastic panel fits on top to prevent birds from climbing above the Gym

Increase the play spaces in your house with this safe, entertaining play area.
